Hello to all in the Peirce community

My name is Mo Miller and I'd like to take a moment of your time to tell you about myself and why I would like to represent you on the Local School Council. I have been a Peirce parent since 2021 and have been continually wowed by the talent, dedication, and compassion I have encountered from all corners of the Peirce community. At Peirce, I currently serve on the Racial Equity Parent group Steering Committee, Restorative Practices Working Group, and Panther Pathways. I have loved working collaboratively with other parent groups and dedicated individuals. The more I learn about the time and effort that goes into creating this amazing environment, the more impressed I am, and the more I feel called to serve our community.

My career in non-profit administration and as a small business owner give me a firm foundation in the skills necessary to contribute meaningfully to the LSC. I have spent my entire adult life talking to people; learning about their lives, needs, and ideas in order to create new products, systems and experiences. I have my own research consulting company, and know how to analyze data - finding the patterns in the numbers and meaning in the statistics. I have worked with numerous local and national organizations and truly love making connections and building bridges that strengthen communities. We have a truly extraordinary group of parents, teachers, and staff caring for our kids. I care deeply about the future of Peirce, not just for my own child, but for everyone who calls Peirce home. As Parent Representative, I will work my hardest to keep Peirce a place that focuses on equity, inclusivity, global education, and joy.
