

Dear Neighbor,

Friends of Peirce is a non-profit organization dedicated to assisting the Helen C. Peirce School of International Studies maximize the potential of its students by providing a world class primary education within the Chicago Public School system. Peirce is a neighborhood school serving Pre-K through eighth grade students in the Edgewater and Andersonville communities. Over 1,000 students attend Peirce, with more than 65 percent of the families coming from low-income households. Our school depends on strong community partnerships and volunteers to help support its mission to provide a quality education to every student!

To help meet this goal, Friends of Peirce presents ***Harbor Night: An Evening to Benefit the Helen C. Peirce School of International Studies***. The event will take place at the Chicago Corinthian Yacht Club on October 20th, 2017. Tickets are available for sale at [facebook.com/friendsofpeirce](https://www.facebook.com/friendsofpeirce).

Please consider a donation to this extraordinary event.

Every dollar raised goes right back to Peirce, so you can trust your donation makes a huge impact on our community. Beyond helping support education, your business will be showcased to families throughout the neighborhood—families that are loyal to companies and businesses that support education!

In addition to being showcased at the event, every company that provides over \$100 in in-kind donations to this event will be featured in a Facebook communication sharing the donation. Because Friends of Peirce is a 501(c)(3), your contribution is also tax deductible.

On behalf of the Friends of Peirce, I want to thank you for your support and consideration. If you have any questions, please contact [kate@friendsofpeirce.org](mailto:kate@friendsofpeirce.org).
